The Nussra Front – Statement No. 44

Exploding a Self-Propelled Car Bomb Targeting a Gathering of Taghut Soldiers in al-Fidaa, Hama

Praise be to Allah, the Victor of the believers and Humiliater of the disbelievers and peace and blessings of Allah be upon the warrior prophet, the merciful prophet, Muhammad and after:

"Fight the leaders of disbelief, for indeed, there are no sacred oaths to them; fight them that they might cease"

For Almighty Allah has permitted the heores of the Nussra Front in al-Fidaa, Hama to penetrate the most dangerous military and security region in the Hama Countryside, located on the Maharada Highway at the Khattab Junction. This operation targeted a large gathering of military, security and shabih personnel at a "government school" with a self-propelled car bomb and this is revenge for our sisters who were raped at the "al-Chir farm" and as a response to the "Kafr at-Tun massacre." The operation, by the grace of Allah, resulted in killing more than 162 and injuring many more taghut soldiers. And we will, Allah willing, keep our word and stay true to our promise, verily our blood is your blood and we will answer their bombardments with bombings.

And Allah has control over all affairs, but most people do not know
